Treated at Palm Harbor Hospital in Garden Grove following the accident were Diane and Jeanette Bescoy, ages 5 and 4 respectively, daughters of Mr. and Mrs. Frank Bescoy of 5601 Calle de Ricardo.

The two Hollywood Riviera girls were thrown from the stagecoach when the four-horse team bolted at the shrill blast of the Disneyland train whistle, tearing off the front undercarriage and injuring ten of the 12 passengers as well as the stagecoach driver.

### Aug. 4 Hearing Set on Budget For School Year

An Aug. 4 public hearing is slated on the Torrance Unified School District's \$10,545,000 publication budget, following its approval by the Board of Education Tuesday.

By the time the hearing is held, the figures will be revised slightly, reflecting revised assessed valuation figures and complete compilation of 1958-59 costs. The previous budget figures were based, in part, upon estimates.

Unofficial assessed valuation figures for the district show that local taxable property is valued at about \$192,650,000, an increase of about \$13,300,000 over last year. While this will mean additional income for the district, the schools will have 2000 more pupils, seven new plants and a number of additions, more teachers, and higher costs than they had last year.

What effect this will have on the tax rate remains to be determined, Assistant Superintendent S. E. Waldrip told the board.

**LARGER FARMS**  
Number of farm holdings in the U.S. of 1,000 or more acres has increased by about 80 percent in the past 35 years, showing an economic trend.
